BOATING AND SWIMMING FACILITY RESERVATION FORM
All water activities are dependent on weather/water temperature

All camp swimming areas are open between Memorial Day and Labor Day, weather permitting (Swim dock installation times may vary at waterfronts based on lake conditions).

The supervision of swimming requires a currently certified lifeguard. (Lifeguard ratio is 1:20 girls with 2 adult watchers). All equipment will be available for lifeguard(s) and instructors. Swimming areas will be marked off with buoy lines and docks.

All boating activities must have a minimum of two adults present. One adult must be a certified instructor/qualified leader for Canoe Certification (See Safety Wise, pg. 116). A second adult with First Aid certification should also be present. Use of personal waterfront equipment is prohibited. Please read Safety-Wise Activity Checkpoints on Canoeing, Boating and Aquatic Activities (pp. 112-116 & 120-123 also Standard 13 on page 69). The instructor to participant ratio is 1 leader to 12 participants for flat-water canoeing.
