The Girl Scout Promise and Law emphasize our duty to give back to our communities and its people. Girl Scouts of Eastern Massachusetts is excited to present a special community service patch for any girl who participates in at least one Council sponsored community service opportunity AND completes a minimum of 8 hours of community service on her own or with the troop. We want to hear all about your service experience, so complete the report form and turn it in to the Council Shop to purchase your patch. The community service mini-report form can be found on the Resource Library and Forms link. Feel free to attach a picture or two and we'll do our best to put them up on the GSEM Photo Gallery!
