Use one of the quizzes below to enhance your trip: you earn the patch simply by walking all or part of the Freedom Trail! The quizzes are based on walking the entire length of the Freedom Trail. If you plan to walk only a portion of the trail, feel free to use only that segment of the quiz. Quiz #1 may be completed without actually entering each site. Quiz #2 is more challenging and you may need additional resources to complete it, such as a brochure, marker, docent or ranger.

Special thanks to Winchester Junior Girl Scout Troop #1484, who researched and created the quizzes and designed the patch.
