FAMILY PARTNERSHIP CAMPAIGN

"I have been a proud Girl Scout for over 30 years as a girl, troop leader and adult volunteer. It provides growth opportunities, training, and invaluable skills useful on the job and in our families."

why

ARE PARENTS ASKED TO CONTRIBUTE?

SHARE: *Family Partnership* Campaign donations are an essential part of the success of Girl Scouts of Eastern Massachusetts. The campaign funds local safety training for volunteers working with girls, helps maintain accessible camp properties, and subsidizes fees to keep programs attainable and cost-effective for every family. We hope every Girl Scout family will participate at a level that is meaningful to them.

The actual cost of supporting a Girl Scout each year is \$286. The \$12 registration fee for each Girl Scout goes to Girl Scouts USA, and does **not** stay within this council.

100% of monies from the SHARE Family Partnership Campaign stay within the GSEM council and your local communities.

And **10%** of all SHARE Family Partnership dollars are returned to your Service Unit where you and your girls can make decisions locally on the activities and projects you want to do.

You have the option of writing one check that includes your donation and your girl's registration fee. You may use the bottom of the GSUSA registration form to make your gift or complete the back of this and mail it to:
