

Girl Scouts begin annual cookie sales

The Girl Scouts started their annual cookie sale last week and will continue through March 9th.

Locally, Gianna Cicolini of Saugus's Troop 60555 will be selling cookies and hopes to sell more than 500 boxes this year so that the Troop can attend several trips.

The Troop is very active, she said, noting that they have performed numerous community service projects over the past several months.

Cicolini will be selling cookies at JoAnn's Fabrics, Square One Mall and Stop & Shop.

She can be contacted for orders at (781) 233-1978.

The Highland Street youth told officers he was an innocent victim of the shooting and didn't know why anyone would shoot him. He said he was getting a sandwich when he got hit in the leg with a bullet. He had his girlfriend drive him to the hospital.
